WELLWISHERS TRUST INDEPENDENT REVIEW REPORT OF THE FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 30 JUNE 2015

I have reviewed the accompanying financial report of WellWishers Trust, which comprises the statement of financial position as at 30 June 20154, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the responsible entities declaration

Responsible Entities' Responsibility for the Financial Report

The responsible entities of the registered entity are responsible for the preparation of a financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Australian Charities and Not-for-profits Commission Act 2012* (ACNC Act) and for such internal control as the responsible entities determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud of error.

Auditor's Responsibility

My responsibility is to express a conclusion on the financial report based on my review. I conducted my review in accordance with the Auditing Standard on Review Engagements ASRE 2415 *Review of a Financial Report: Company limited by Guarantee or an entity reporting under the ACNC Act of other Legislation or Regulation,* in order to state whether, on the basis of procedures prescribed, anything has come to my attention that causes me to believe that the financial report does not satisfy the requirements of Division 60 of the ACNC Act including: giving a true and fair view of the registered entity's financial position as at 30 June 2015 and its performance for the year ended on that date, and complying with Australian Accounting Standards and the *Australian Charities and Not-for-profits Commission Regulation 2013* (ACNC Regulation). ASRE 2415 requires that I comply with the ethical requirements relevant to the review of the financial report.

A review of the financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review processes. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

Conclusion

Based on my review, which is not an audit, nothing has come to my attention that causes me to believe that the financial report of WellWishers Trust does not satisfy the requirements of Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* including:

- (a) Giving a true and fair view of the registered entity's financial position as at 30 June 2015 and of its financial performance and cash flows for the year ended on that date; and
- (b) complying with Australian Accounting Standards and Division 60 of the Australian Charities and Notfor-profits Commission Regulation 2013.
